JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Institute for the Study of Malignant Disease—Objects of. (Chap. 91, Act Mar. 20, 1913.)

SECTION 1. Section 346 of chapter 49 of the laws of 1909, entitled "An act in relation to the public health, constituting chapter 45 of the consolidated laws," as added by chapter 128 of the laws of 1911, is hereby amended to read as follows:

"SEC. 346. *Objects and purposes of the institute; gifts to institute in aid thereof.*—The institute shall conduct investigations into the cause, nature, mortality rate, treatment, prevention and cure of cancer and allied diseases, and may receive in its hospital for study, experimental or other treatment, cases of cancer and allied diseases free of charge. It shall publish from time to time the results of its investigations for the benefit of humanity and shall from time to time collect its publications into the form of a scientific report for distribution to scientific bodies and to medical scientists and qualified members of the medical profession. The direction of research work in whole or in part toward malignant diseases other than cancer shall not be a violation of the conditions of the grants made under the provisions of which this article is a part. The institute may receive gifts, legacies, and bequests, and use the same in such manner as the board of trustees may determine for the advancement of its objects and purposes."

Laboratories, Hygienic and Antitoxin—Purchase of Site. (Chap. 657, Act May 23 1913.)

SECTION 1. The commissioners of the land office may acquire by purchase a farm site for the hygienic and antitoxin laboratories of the State department of health, at a cost of not more than \$10,000. Such site shall be subject to the approval of the commissioner of health, and the title thereof shall be approved by the attorney general before a conveyance thereof shall have been accepted on behalf of the State.

SEC. 2. Upon the acquisition of such site, the commissioner of health shall cause such part of the equipment of the hygienic and antitoxin laboratories of the State department of health now located on Yates and Morris Streets, in the city of Albany, to be transferred thereto as he deems proper, and shall notify the commissioners of the land office of the portion of such premises vacated by him and no longer required for the purposes of such laboratories.

SEC. 3. The commissioners of the land office upon receiving notice from the commissioner of health that the whole or a part of the property has been vacated for laboratory purposes, may sell the vacated part thereof specified in such notice, and such commissioners are hereby authorized to execute in behalf of the people of the State a conveyance thereof. The proceeds of any such sale shall be paid into the State treasury.

SEC. 4. The sum of \$10,000, or so much thereof as may be necessary, is hereby appropriated, for the purposes of this act, out of any money in the treasury not otherwise appropriated, payable by the treasurer on the warrant of the comptroller, on the order of the commissioners of the land office and the commissioner of health.

Schools—Medical Inspection of. (Chap. 627, Act May 23, 1913.)

SECTION 1, chapter 21 of the laws of 1909, entitled "An act relating to education, constituting chapter 16 of the consolidated laws," as amended by chapter 140 of the laws of 1910, is hereby further amended by inserting therein a new article, to be known as article 20-a, and to read as follows:

"ART. 20-a, SEC. 570. *Medical inspection to be provided.*—Medical inspection shall be provided for all pupils attending the public schools in this State, except in cities of the first class, as provided in this article. Medical inspection shall include the services of a trained registered nurse, if one is employed, and shall also include such
